

Thank You from Celebrity International Movers

**We celebrated 25 years of top quality
moving services!**

This month Celebrity International Movers welcomed clients, business partners, friends and family at the Athens Hilton to celebrate a milestone for the company - 25 successful years in the moving industry. The special silver anniversary cocktail party well suited the landmark hotel's distinctive location which offers sweeping views of the capital including the Acropolis and Mt. Lycabettus.

With the backdrop of all of Athens below, guests mingled with great food and cocktails while surrounded by distinctive moving box artwork and sculptures. The moving crew rolled out the night's entertainment hidden in a Celebrity moving box - the European entertainer Alex de Paris. His special performance demonstrated just how flexible and fun of a family company Celebrity has grown to be.

The night also closed with thank you speeches by both Kathy Chrisovergis and George Chrisovergis - the solid husband and wife team behind Celebrity which is considered one of the top moving and relocation companies in Greece offering local and international moving services, storage, archives, art and exhibition removals and a wide array of relocation services.

“We put together a great atmosphere in a beautiful setting to really thank our clients, partners and dedicated team who helped us get this far,” said Managing Director, Kathy Chrisovergis.

“We look forward to continue our success which is based on the ‘celebrity’ treatment we give each and every client that we serve.”
