

## Celebrity International Movers S.A. Winter Newsletter 2011

### We're EuRA!

For the past five years, Celebrity's Relocation department has remained committed to placing the client's needs first. Celebrity offers comprehensive services from school to home search to successfully assist families on a more personal level when moving into or out of Greece. Most recently, Celebrity became a member of EuRA, a prestigious pan European standards body in the relocation industry.

### A Special Focus on Relocation: Home Search

Celebrity worked with satisfied client, Eurocopter to relocate one of its employees from Marseille, France to Athens, Greece. The assignee had already looked at many homes before deciding to work with Celebrity. The relocation team worked one-on-one with him to find him a home, saving time and money.

"Through our home search services we cater to the individual by understanding what his needs are," says Danielle Willems, relocation manager at Celebrity. "We always have the client's interest in mind and we show the assignee only the houses he is really interested in by listening carefully and understanding his criteria."

### Celebrity's Simple Steps to: Office Moving

Celebrity's approach to office moving minimizes the downtime of your business. At the end of the day, our clients are secure in knowing that their business is in capable hands. Here's what we do:

- Celebrity first conducts a free survey of your office.
- Our office removal expert surveys the premises considering access points, heavy items to transfer, the packing required, the organization of records to the movement of individual workspaces. Deadlines, concerns and expectations are also discussed.
- Celebrity estimates the costs and sends the most competitive quotation.
